

Radio Incorporated Song List

Name:

Date of event:

Our top goal is to keep the dance floor filled with high-energy songs and longer non-stop sets!

We start the night with the Motown and oldies for all ages, then move into the 80s, Top 40/pop, hip-hop, and ending with classic rock and country.

We have listed (*by genre*) the most popular and requested wedding and event songs that we've seen keep a dance floor filled first!

There will also be an "other songs" list within that genre that we also know and play, but may not be as popular or requested and/or may not keep a dance floor.

- However, if there's a song on that list you LOVE that is special to you, by all means - PICK IT!

Directions:

- 1) Choose the appropriate selection for each song so we know what you like!
- 2) Leave a few in each dance genre that you don't mind if played or not.
- 3) Normally, the "absolutely love" choices fill most of the night.

Note:

(Medleys cannot be separated).

No explicit language used in any song.

Send this song list no later than 1 month prior to your event.
